- March 26-28                  Midwest Regional First Robotics Competition (FRC) Event at the UNI-Dome in Cedar Falls
- April 9                         Northeast Iowa Family STEM Festival – Waukon

## **STEM Review Committees:**

### **IOWA STEM Teacher Award Selection**

Review period: November 7-December 7

Time commitment: approximately 3-12 hours

Evaluate nominations/applications to select the IOWA STEM Teacher awardees. Six educators selected (one per region).

Current committee members (5): Lisa Chizek, Larry Escalada, Chelsie Byram, Stacey Snyder, and Jeff Jacobs

### **STEM BEST Selection**

Review period: November 13 – December 7

Time commitment: approximately 3-12 hours.

Evaluate applications for Iowa STEM Business Engaging Students and Teachers (BEST) proposals from across the state. Proposals provide schools with the opportunity to work with business partners on real-world projects. Evaluators will be assigned to a team of 3, they score individually and then discuss discrepant questions only at a Confidence meeting where each team coordinates scheduling. Teams are assigned 3-5 proposals for review. They are assigned to either review New Schools or Returning School applications, not both.

Current committee members (4): Bev Berns, Doreen Hayek, Marcy Seavey and Allison Plunkett

### **Scale-Up Awardee Selection**

Review period: March

Time commitment: approximately 2-4 hours

Evaluate applications submitted by educators throughout region requesting Scale-Up programs on the 2026-27 menu.

Current committee members (11): All board members
